

Commerce Acquisition Manual
CAM Notice 00-02

1. *Title or Purpose:* Security Processing Requirements for On-Site Service Contracts
2. *File in:* CAM, Part 37, Section 70
1337.70
3. *Effective:* April 18, 2000
4. *Applicability:* All service contracts to be performed on or within government facilities.
5. *Reference:* Department of Commerce Personnel Security Manual
6. *Supersedes:* Draft policy issued under Procurement Memorandum 96-01 (10/24/1995) and Commerce Acquisition Bulletin (CAB) 94-02
7. *Implementing Guidance:* The solicitation provisions issued herein are included in the list of revised local DoC clauses that were issued via Procurement Memorandum 2000-03, which will be incorporated into CSTARS and the legacy systems. You should begin using these provisions in outgoing solicitations for services to be performed on or within government facilities, effective immediately.
